**Subject:** Deposit Account Charge to USSN 09/786,993

Dir Sir/Madam:

We have received a charge of \$270 to deposit account 50-0552 for USSN 09/786,993. The charge appears to be for multiple dependent claims.

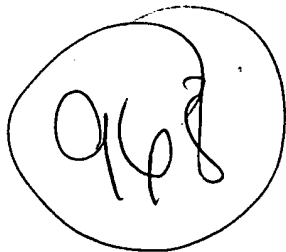

However, our patent filing included a Preliminary Amendment which canceled the pending claims and added new claims 28-31, none of which are multiple dependent claims. Therefore, we believe that the \$270 charge is in error.

Can you please look into this matter, and either refund the amount charged, or provide us with an explanation of the reason for the charge?

Best regards,
